

UUSJ PARC Report

03/09/2021

The membership for the time-limited Policy & Advocacy Review Committee (PARC) has been finalized. Serena Lowe will serve as Chair; Sean McCarthy and Tanner Wray will serve as members. The PARC will meet 3-4 times between now and the next board meeting in June 2021. The PARC will focus on completing the following three objectives:

1. Review any policy requests that arise that are outside the scope of the existing 2021 policy priorities and provide a recommendation to the Executive Director and Board.
2. Work with the Executive Director to provide a draft policy platform for 2021-2022 based on the recommendations of the policy committees and the feedback from the membership survey. The platform will be presented at the June 2021 Board meeting for feedback, and then offered for consideration by the new Board of Directors under the new governance structure in the summer of 2021.
3. Develop proposed metrics for evaluating the success of UUSJ's future policy and advocacy efforts.
