

## Membership Committee Report to the UUSJ Board

June 8, 2021

John Peterson, chair; Martha Ades, Terry Grogan, Gary Magnuson

### UUSJ Individual Members

July	191
August	202
September	163
October	147
November	200
December	326
January	340
February	338
March	309

Outside the DMV area: 42% of our members, up from 36% in March

Note: An individual member is anyone who has donated any amount in the past twelve months. The numbers above are somewhat smaller than previous reports for all months. We are searching for a cause—might be database maintenance removing invalid addresses, etc., but we don't know for sure. However, the trend is still up significantly.

### Recent Committee Activities

- Drafted Congregational Membership Policy, as that has to change with the new board
  - Up for approval at this board meeting.
- The New Member email was modified for general audiences and posted on the UUSJ website. Now everyone knows what things UUSJ does and how to get involved.
- Found three chairs of congregational Social Justice Committees to plan the next meeting of SJ leaders. It will be offered over Zoom and open to a nationwide audience.
- 78 people volunteered in the recent survey to help out UUSJ. Formulated a strategy for contacting all the volunteers to integrate them into UUSJ activities, developed a spreadsheet showing which UUSJ leaders are to contact which volunteers. John sending an email to all the Advocacy volunteers about the delay in asking them to join Issue Action Teams (waiting for new Board to decide the new priority issues) and inviting them to join near-term activities.
