

## Affirmation of Partnership

*Our congregation desires to be a partner congregation of the Unitarian Universalists for Social Justice (UUSJ). We will voluntarily join the national network of UUSJ partner congregations, who live out their faith through engagement, education, and advocacy to advance equitable national policies and actions, aligned with UU values.*

*We understand UUSJ will list our congregation on its website and other communications as a partner.*

### Congregational Liaison

We have selected the following person to serve as our UUSJ Congregational Liaison to promote connection, visibility, and partnership. The Liaison person agrees to receive all communications (email, mail, or calls) from UUSJ and route those to the proper persons and/or publicize communications and opportunities in the manner most appropriate. They also agree to offer suggestions and feedback to UUSJ, and are invited to UUSJ Social Justice Leaders Meetings.
